

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF TEXAS  
Fort Worth Division**

OUTSOURCING FACILITIES  
ASSOCIATION, et al.,

Plaintiffs,

v.

UNITED STATES FOOD AND DRUG  
ADMINISTRATION, et al.,

Defendants.

Civil Action No. 4:24-cv-00953-P

**Plaintiffs' Notice of Withdrawal of Opposition to Motion to Intervene**

Plaintiffs Outsourcing Facilities Association ("OFA") and North American Custom Laboratories, LLC, doing business as FarmaKeio Custom Compounding ("FarmaKeio") hereby withdraw their opposition to Eli Lilly and Company's Motion to Intervene, Dkt. No. 34.

1. Plaintiffs' opposition was premised on Lilly's lack of any right to intervene under Rule 24(a) and belief that permissive intervention was unwarranted and inappropriate based on the prospect of prejudice to the timely and efficient adjudication of this action, particularly in its initial stages.

2. Having reviewed Lilly's motion papers, Plaintiffs withdraw their opposition on the basis that Lilly most likely satisfies the standard for permissive intervention pursuant to Rule 24(b) and in the interest of avoiding unnecessary proceedings over ancillary issues.

3. Plaintiffs respectfully suggest that, if the Court grants intervention, that it adjust, and then enter, the briefing schedule jointly proposed by Plaintiffs and Defendants, Dkt. No. 38-1, to clarify that the deadlines for Defendants' filings also apply to an intervenor-defendant.
